In re application of :
Kim et al. : **DECISION ON**
Serial No. 10/099,781 : **PETITION**
Filed: March 14, 2002 :
For: DOUBLE-SPIRO ORGANIC COMPOUNDS AND :
ORGANIC ELECTROLUMINESCENT DEVICES :
USING THE SAME :

This is a response to the PETITION UNDER 37 C.F.R. § 1.181 TO WITHDRAW HOLDING OF ABANDONMENT filed September 8, 2004. The petitioner request that the abandonment, as set forth in the Notice of Abandonment of July 9, 2004, for failure to timely file a proper reply to the Office letter mailed September 29, 2003 be withdrawn since the applicants did timely file a reply on October 28, 2003.

DECISION

The instant request has been accepted as a petition to withdraw the holding of abandonment under the provisions of 37 CFR 1.181 (no fee) - no abandonment-in-fact. A review of the USPTO application file reveals that applicant's response was properly filed on October 28, 2003 in view of the fact that the originally filed papers were received in the USPTO October 31, 2003 and have been located in the USPTO file application. A review of the evidence presented reveals that the Notice of Abandonment of July 9, 2004 was previously withdrawn and the application subsequently acted on by the Examiner. Accordingly, any holding of abandonment for failure to timely file a proper reply to the Office letter mailed September 29, 2003 is hereby vacated.

In view of that fact that the abandonment was previously withdrawn and the application is now allowed, the Petition is **DISMISSED**.
